### 2011 Preceptor Award Ceremony

In November, the BHS Nursing Department honored our 2011 preceptors at an award ceremony which included a PowerPoint slide show illustrating all of the positive comments anonymously made by the new hires concerning their preceptors. The Food & Nutrition Department provided a large cakes and beverages and each preceptor received a Certificate of Appreciation. Some of the comments shared by the new hires included:

“Everything I learned was informative. I will use it to help me support the clients and my co-workers as a team player – a psych aide – to the best of my ability.”

“The information given while doing the daily tasks and getting hands on experience was most helpful.”

“The guidance I received from my preceptor and co-workers was most helpful. They all know their stuff and I am thankful for them all.”

“My preceptor was very knowledgeable and able to clearly convey what was necessary for me to learn.”

Congratulations to the following 2011 Preceptors for a job well done in guiding and educating our new hires:
